

EMAS BULLETIN JULY

The month of August rolls around, bringing with it a whole host of exciting upcoming events for EMAS members.

1. First up is a shout out to all pest managers within EMAS: the annual FAOPMA conference is around the corner. It will be a good forum for those within the industry to meet up and find out more about latest products, technology, and advances within our field.

Slated to be held from 26th to 28th November, the conference details are still being finalized currently EMAS would like to remind members to block out those dates and also to book early to enjoy the early bird discount.

2. Singapore CSR Summit

The annual Singapore CSR Summit 2013 is coming up soon this September. The event brings together socially responsible companies across a plethora of different business sectors in Singapore. The eclectic mix of entrepreneurs, business owners and business leaders across the spectrum will unite for a two day conference on Corporate Social Responsibility, and its place in our business landscape today.

The event presents a wonderful opportunity for members of the environmental health industry to learn from successful business leaders and consultants how doing good makes business sense. It will also be a good chance to meet and network with like-minded business leaders from various different fields. Event details are as follows:

Date : 4&5 September 2013
Venue : Raffles City Convention Centre
Register at : <http://www.singaporecsrsummit.org/>

3. It is the time of the year again for sports enthusiasts and friendly rivals to meet over another golf event: the **EMAS Golf Tournament!** Past golf social events have been well received by our members and as the pool of hobbyists and serious competitors grows within our industry, EMAS is happy to organize more of such events, where members can get together to network over a friendly game of golf.

This year, the event was made possible by the following sponsors:

Main sponsor : STVE Pte Ltd

Other Sponsors : Karcher, LS 2, Ausko, Ramky, Tennant, EnviroChem

To date, 12 flights have signed up, and the final slots are going fast! Sign up with EMAS secretariat Ms Marie Loh, marieloh@emas.org.sg to book your slot now! Event details are as follows:

Date : **22nd August 2013**
Time : **11am – 9pm**
Venue : **Serapong Course at Sentosa Country Club**
Cost : **\$500/person or \$1800/flight**

Non-golfers are also welcome to join in the fun and festivities over dinner! To date, we have 12 sporting diners who have signed up to join us for dinner, and we are always keen to have more members join in the fun!

4. Following the overwhelming response to the last EMAS football game, the association is now keen to go big with the inception of the EMAS Football League. We target to have the league games run over a period of six months of each year, and the development and running of the league will be based on response from EMAS members. We believe this will not only be a good regular teambuilding event for companies who send teams to participate, but will also help to build friendly relations between members from our industry. Those interested to participate, please submit your team registrations by 15th August 2013 to EMAS secretariat, Ms Marie Loh, marieloh@emas.org.sg

Finally, to wrap up, EMAS would like to wish all Muslim members of our industry **SELAMAT HARI RAYA**, as they celebrate this momentous religious festival! We would also like to wish one and all a **HAPPY NATIONAL DAY**. It is our cherished hope that as we continue to grow as a nation, we will build a Singapore that continually strives for improvement and the betterment of the lives of all Singaporeans regardless of race, religion, gender or occupation!
